# Mille X Excellence

## Rouge, Millésime 2020

### AOP Costières de Nîmes

---

- Les Intemporels -

#### Grape varieties :

**Syrah, Grenache noir**  
75cl

#### Winemaking :

A remarkable work on the vineyard: green harvesting, leaf thinning, low yields. After a careful selection of the best parcels of Syrah and Grenache, the grapes are destemmed, and a traditional vinification under temperature control is done. This wine has been aged in barrels for 18 months to reveal its potential of fine and powerful tannins.

#### Tasting :

Eye: Bright deep crimson color with purple tints.

Nose: ripe fruit, flavors of chocolate and roasted coffee.

The palate is dense and structured, with good tannins and hints of vanilla.

#### Food pairing:

This wine is perfect with sweet and savoury duck breast, beef curry or spiced shoulder of lamb confit, and also with chocolate desserts.

**Serve at:** 16- 18°C

**Cellaring:** Thanks to its structure and freshness, it can wait ten years or more before expressing its full potential.
