Mille X La Promesse

Rouge, Millésime 2021

AOP Costières de Nîmes

- Les Incontournables -

Grape varieties :

Syrah, grenache - 75cl

Winemaking :

A lovely selection of terroirs for this wine. The Syrah and Grenache are vinified separately in vats with a total destemming and control of temperatures throughout fermentation. 3 weeks of maceration.

Tasting :

This wine has an assertive character, with a ruby-red colour and brilliant highlights. The nose is beautifully intense, dominated by black and red fruits.

The palate is dense and silky, with refined tannins and a long finish.

Food pairing :

This well-structured wine is perfect with lamb, a fondue bourguignonne or any other characterful dish, but also with a chocolate dessert.

Serve at : 16-18 °C.

Cellaring : 5 - 10 years
